INTRODUCING A GREAT NEW HYBRID RED GRAPE VARIETY CRU INTERNATIONAL BACO NOIR

BACO NOIR is a fruity, mid-bodied wine that's highly acidic and low in tannin. The wine shows rich fruit tones, typified by blueberry and plum. Pairs nicely with turkey, pheasant, salmon, barbecued charred meats, homemade pizzas that are heavy on the tomato sauce and pepperoni and tomato sauce based dishes. BACO NOIR pairs well with old cheddar, asiago and provolone cheeses.
